OVERVIEW

When working in construction and industry, it is essential to work safely and use the chosen equipment correctly. Our fall protection kit Worker Service is suitable for work in a variety of environments in construction and general industry. The kit includes a Worker Base harness, a 2 meters double fall arrest lanyard and an anchor sling, all packed in a practical bag.

The kit is suitable when climbing up and down ladders and working in various industrial environments as, e.g. a service technician.

Our Worker range is affordable products with high quality and comfort - in our own brand Cresto. With Cresto Worker, you get products with high quality and a long life.
