OVERVIEW

Cresto 101 is a flexible glove that is comfortable and suitable for those working with climbing various structures. The gloves inner hand is made of goatskin, and the outer part a four-way stretch material. Additionally, it's equipped with a hole in the collar for the carabiner for easy attachment on the harness, which makes it suitable as an all-around glove when working at heights. The pre-bent fit and reinforcements in the inner hand make the glove comfortable and durable. The glove has a velcro closing at the wrist and is available in sizes M and L
