ASC-ST001	Cresto, Work Seat
-----------	-------------------

OVERVIEW

This seat's features include adjustable side webbing and a wide, padded seat for maximum comfort and excellent stability. The seat is equipped with two steel and one textile loop for attaching tools, carabiners and other equipment. The user should always wear a fall-arrest safety harness as the seat doesn't meet PPE requirements. The total load capacity of the seat, including the maximum weight of the user, should not exceed 200 kg.
