OVERVIEW

When working in construction and industry, it is important to work safely. Our fall protection kit Worker Industrial Pro is suitable for you who work in a variety of environments in construction and industry. The kit includes a Worker Pro harness, a 2 meters self retractable lanyard (SRL) and an anchor sling, all packed in a practical bag. Unlike Worker Industrial the kit contains an SRL for the ability to move more freely.

Our Worker range is affordable products with high quality and comfort - in our own brand Cresto. With Worker you get products with high quality and long service life that provide safety when working at heights.
