OVERVIEW

When working in construction and industry, it is important to work safely. Our fall protection kit Worker Industrial is suitable for you who work in a variety of environments in construction and industry. The kit includes a Worker Base harness, a 2 meters fall arrest lanyard and an anchor sling, all packed in a practical bag.

The difference between this fall protection kit and Worker Industrial Pro is that this package contains a simple fall arrest lanyard that fits in environments where large movement is not required.

Our Worker range is affordable products with high quality and comfort - in our own brand Cresto. With Worker you get products with high quality and long service life that provide safety when working at heights.
