

Evacuation Harness 6711

Harness 6711

- Easy to put on
- Lightweight
- Dual colour

EN 1498 : 2006

Product description

Evacuation harness in Crestos HI-Vis 44mm polyester webbing to be used with a rescue-/evacuation device. The two colored harness simplifies the dressing in stressful situations with only one adjustment and attachment point which save valuable time. The harness is available in one size to fit all users.
