Product description

When working on roofs, it is important to create the right conditions for working safely. Our Core Roofer fall arrest kit is suitable for work on roofs. The kit includes a Core Active 1154 harness, and a 15 meter Core adjustable fall protection line "Edge approved" and an anchor sling, all packed in a practical bag. Our Core range is affordable products with high quality and comfort - in our own brand Cresto Core. With Core you get products with high quality and long service life that provide safety when working at heights.
