

Cresto Energy Base 1125

Harness 1125 Q7

- Max 140 kg bruker vekt user weight
- Light weight
- Comfortable belt with D-rings for positioning

EN 358 : 2018

EN 361 : 2002

Product description

Energy Base is a classic harness that enables users to work comfortably in various work environments using different methods. The support belt has an elastic padding material and is equipped with side D-rings for work positioning. For anchorage, it has webbing loops at the front and a galvanized steel D-ring at the rear. The harness has manual buckles that can adjust to fit almost any user. This harness is available in one size.
