

Cresto, Toolpro

Tool bag

- Unique opening and closing
- Water resistant material
- Tool lanyard connections

Product description

The CRESTO Tool Pro 15 is designed for easy use. This bag features a unique cord and brake closure system that guarantees fast closure for added protection. In addition, it is equipped with a loop system with five loops for fastening in the upper outer part, which offers optimum organisation and accessibility. The handles on the bag are reinforced with fabric for better grip and easier carrying. The extra textile handle on the underside allows for quick removal of tools and dirt, ensuring efficient maintenance. The bag is crafted from durable water-resistant materials. Bag height is 40 cm with a diameter of 27 cm.
