

Cresto, Worker Restraint

Fall prevention kit

- Adjustable Lanyard: Easily adjustable to keep it tight and the user away from the risk area, ensuring maximum safety.
- 1123 Harness: Features a low front connection point for comfort and ease of movement, keeping the lanyard out of your work area.
- Nordic Compliance: Meets the stringent safety recommendations of Nordic rental companies for working on mobile platforms.

EN 358 : 1999
EN 795 : 2012

EN 361 : 2004

EN 362 : 2004

EN 363 : 2018

Product description

When working on platforms or restricted areas and you need to secure yourself to NOT risk falling. This kit is suitable for work on platforms and restricted areas and has an adjustable lanyard to keep the user from risk areas. The 1123 harness has a low connection point in front, making the job comfortable by keeping the lanyard away from your work. This kit abides by Nordic rental companies' recommendations for work on mobile platforms.
