

# EVACUATION HARNESS 6711

## Harness 6711

- Easy to put on
- Lightweight
- Dual colour

Standards: **EN 1498 : 2006** **ANSI Z359.4-2013**

## Product description

Simple evacuation harness to be used with an evacuation device when the user doesn't have a fall protection harness.

Evacuation harness in Crestos HI-Vis 44mm polyester webbing to be used with a rescue-/evacuation device. The two colored harness simplifies the dressing in stressful situations with only one adjustment and attachment point which save valuable time.

The harness is available in one size to fit all users.
