Product description

Worker Industrial Pro fall arrest kit is designed for work in construction and industry.

When working in construction and industry, it is important to work safely. Our fall protection kit Worker Industrial Pro is suitable for you who work in a variety of environments in construction and industry. The kit includes a Worker Pro harness, a 2 meters self retractable lanyard (SRL) TORQ Micro, and an anchor sling, all packed in a practical bag. Unlike Worker Industrial the kit contains an SRL for the ability to move more freely.

Our Worker range is affordable products with high quality and comfort - in our own brand Cresto. With Worker you get products with high quality and long service life that provide safety when working at heights.
