

ST PERSONAL PLUS Q

Safe Time safety belt

- double D rings
- Tool Loops
- Lightweight

Standards: **EN 358 : 2018**

Product description

The PERSONAL PLUS belt is used to secure and stabilize the working position.

The belt has two stabilizing eyes to hold an additional rope or shortener. Material hinges are designed for hanging carabiners and other equipment weighing up to 10 kg. The belt is fastened with a quick release buckle. The length of the circumferential strap is adjustable. It is possible to attach a pocket for material/tools to the belt.
