

CRESTO, FUSION PRO 1128

Harness 1128

- Approved for work positioning
- Ergonomic design
- Horizontal leg webbing

Standards: **CNB/P11.043 V2** **EN3612002**

Product description

Fusion Pro is the first of our Fusion harnesses which is tested and approved for support and positioning without a belt.

This harness is designed for maximum comfort and simplicity of use, making the harness a revolutionary premium harness.

The design makes Fusion Pro suitable for most workplaces where the user does not want to feel restricted by the harness but at the same time be safe in his work environment. The harness is flexible and has great adjustment possibilities in order to be adapted to the user.
