Product description

Worker Roofer fall arrest kit is mainly suitable for roof work.

When working on roofs, it is important to create the right conditions for working safely. Our Worker Roofer fall arrest kit is suitable for work on roofs. The kit includes a Worker Base harness, a 15 meter adjustable fall protection line and an anchor sling, all packed in a practical bag.

Our Worker range is affordable products with high quality and comfort - in our own brand Cresto. With Worker you get products with high quality and long service life that provide safety when working at heights.
