Product description

" OUTGOING" SRL is a fall arrest kit developed for the worker within construction and industry.

When working in construction and industry, it is important to create the right conditions for working safely and flexibly. Our fall protection kit Worker SRL is suitable for you who work in a variety of environments in construction and industry. The kit includes a Worker Base + harness, a 15 meter self retractable lanyard (SRL) and an anchor sling.

Thanks to the SRL C15H with wire, the kit can be used for both ladder and roof work, as the SRL is certified for both horizontal and vertical work.

Our Worker range is affordable products with high quality and comfort - in our own brand Cresto. With Worker you get products with high quality and long service life that provide safety when working at heights.
